

Holy Trinity C E Primary School Northwood

ICT and Next Generation Learning at Holy Trinity CE Primary School Northwood

Our Vision

An inspiring, engaging, interactive and connected learning community for the 21st century.

Effective use of ICT to support, enhance and enliven the curriculum and support inclusive learning for all.

An efficient and effective learning community that maximises the use of ICT to:

- **empower individuals to make effective use of their skills, gifts and talents**
- **enable communication and collaboration within and beyond our community**
- **support our commitment to the protection of the environment and the stewardship of God's world.**
