2010 International Year at Holy Trinity

International Evening Thursday 11th February 2010 – 6.30pm

As part of our commitment to promoting understanding of differing cultures, 2010 has been designated as 'International Year' at Holy Trinity. Each term our learning will focus on different continents with many exciting activities planned for the children.

As part of this continuing commitment (and by very popular demand!) we will once again be hosting an International Evening in school on the above date. Following on from our very successful inaugural event in 2008 we invite parents, carers and friends to host a table themed on their own country of origin, or a country of special interest, maybe through travel or having lived overseas. Some of the countries represented last time were:

- Brazil
- Taiwan
- Sri Lanka
- USA
- Wales
- France
- Serbia
- Persia
- England
- Thailand
- India
- Nepal

We are looking for people who would be happy to bring typical or traditional food and drinks for others to taste and/or to display photographs, pictures, artefacts and costumes, or even run a power point presentation! As always we are extremely grateful for any help offered and would ask that if you feel able to contribute in any way that you complete the slip below and return it to the school office by 29th January 2010. Please put on your thinking caps and consider how you could showcase a country dear to you!

Thank you for your continued support.

Yours sincerely,

Mr. D R Norris
Headteacher
