Mrs. M. E. Henton

10th September 2009

Dear Parents

I am delighted to welcome you and your children back to the new academic year. The entire school team looks forward to working with you in, what I am sure will be an extremely successful and busy year. Children have settled quickly to school routines and look very smart in their new school uniform.

You will have already received information about our forthcoming curriculum meetings. These meetings are an excellent opportunity for you to meet your child's class teacher, hear about what your child will be learning and ask any questions that you may have. I would encourage as many parents as possible to attend these important meetings.

We want you to be as fully informed as possible of all school events well in advance. The school calendar gives you advance warning of term dates and important events. We will endeavour to update the calendar regularly on the school website and copies of all letters home will be available for you to download.

It is with great sadness that I must inform you that Mr. Brian Fawsett, a much valued member of the school Governing Body and dear friend of the school passed away over the summer. Our thoughts and prayers are with his family at this difficult time. School staff attended a special service of thanksgiving for his life. He was generous with his time and has strongly supported the school over many years. His expertise and inspiration will be sadly missed.

I have been asked to remind parents who drive to school to kindly avoid blocking the driveways of local residents in Kewferry Road at drop off and pick up time.

The selection on new school values is always an important part of the beginning of term. Children enthusiastically contributed to class discussions and the final school values were chosen by our Year 6 pupils. You will find the values for 2009 - 10 on the school calendar and we will shortly have a guide for families providing further information about each of our values and how you can support them at home.

Yours sincerely,

Daniel Norris
Headteacher
