SPRING TERM  
WEEK 6

## UPDATE FROM MR SZURGOT

It has been a lovely end to the half term, with so many opportunities for our children to grow, reflect and celebrate together.

This week, we took our Head Boy and Head Girl alongside our RE Ambassadors from Years 4-6 to take part in the annual service organised by London Diocesan Board for Schools, alongside our friends from our partner schools. The children listened thoughtfully as Ben Lindsay OBE spoke on the powerful theme of Forgiveness and Reconciliation, giving them much to reflect on about kindness, understanding and making things right.

Year 3 also did a fantastic job hosting their class connection morning for parents. It was wonderful to see the children so proud as they shared and celebrated the brilliant work they have been doing this year and the progress they are making.

Across the school, pupils have been spending time thinking carefully about how we look after our mental health. This has included writing beautiful poems about feelings, as well as lots of collaborative activities, from blindfolded trust games in Reception to team artwork in Year 6. These experiences have really highlighted the importance of working together, trust and empathy.

And finally, we know that one of the best things for our mental health sometimes is a good rest. On that note, I hope you all have a wonderful and restful half term. A reminder that school starts back on Tuesday 24th February.

**God Bless you all, Mr Szurgot**

Flying our flag at St Paul's Cathedral!

Trusting our friends directions in Reception!

## NOTICES

### PTFA

The PTFA do an incredible amount of amazing work for the school but they always need new members to help with the organisation that goes on behind the scenes at our events. Without their work, several projects - including the playground re-development - will have to stop. Please contact your class rep to see how you can help.

### Parking

Please ensure you do not park across the pedestrian crossing outside of school as this poses a significant danger to children crossing the road. I understand how busy Kewferry Road can get but please be considerate of our neighbours and, most importantly, the safety of our children.

### Attendance Champions

Willow 98.7%

Ash 97.02%

Cedar 96.91%

# How we have flourished this week!

## Seedlings and Acorns

This week in Nursery, we began our toothbrushing program and have been learning why it's important to look after our teeth. We have also been exploring our feelings and discussing who can help when we feel sad, as part of mental health week.

## Maple

Maple looked at how Jesus loves everyone, no matter who you are or what you have done. For Children's Mental Health Week, we read the story "It's Great to Keep Calm" and discussed the importance of acknowledging all emotions and feelings.

## Oak

This week, Oak class have been busy finishing! They finished their writing about Toys of the Past and finished learning about their senses. In DT we did some sewing and have made puppets. They are fantastic!

## Ash

In music we enjoyed a live, online concert from Polaris Duo. The children were fascinated by the harp and enjoyed hearing three different types of saxophone. In PSHE, we enjoyed looking at photos from September and seeing how often we work together and use kindness. We are unique but greater in a team.

## Willow

This week, Willow loved performing their assembly. We were very proud to perform our lines and sing. In class, we have been completing units of work on settlements in geography and pentatonic scales in music.

## Cedar

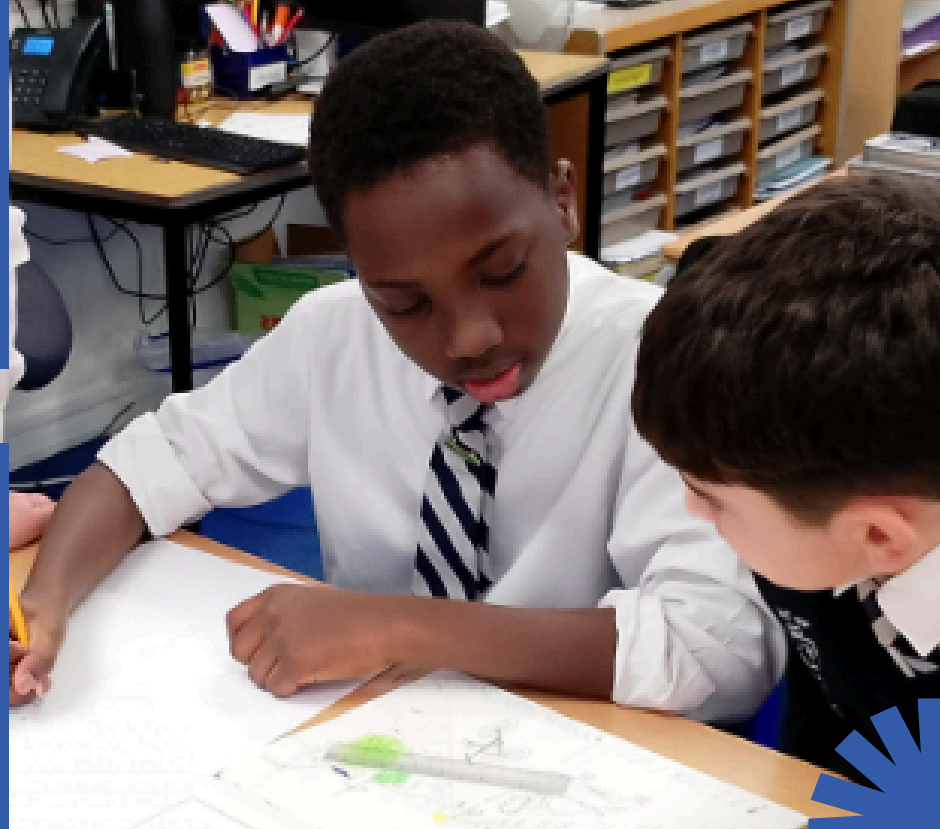

This week, children explored the cities of the Indus Valley, discussing what their homes and streets may have looked like. In English and Science, they deepened their understanding of the water cycle and explored how climate change can affect it.

## Sycamore

This week, we took part in a live assembly about how to stay safe online. We also celebrated Mental Health Week by designing a puzzle piece to illustrate how we belong. In science, we thoroughly enjoyed designing a machine to help clean up space junk.

## Redwood

In Art lessons, Redwood class have been exploring abstract art, using a variety of materials to create artwork that evokes emotions. This week they worked collaboratively to create a mural with themes linking to protecting the environment.

## Thought for the week

You alone are Lord; you made the heavens and the stars of the sky. You made land and sea and everything in them; you gave life to all. Nehemiah 9:6

This verse from Nehemiah reminds us just how big and wonderful God is. He made the heavens and the stars, the land and the sea, and everything living within them. When we look up at the sky, walk through nature, or notice the smallest living things around us, we are reminded that none of this happened by accident. God created it all with care and purpose.

As a school community, this encourages us to be thankful and to look after the world we have been given. It also reminds us that the same God who created the universe knows each one of us personally and gives us life, gifts, and opportunities to grow and flourish. When things feel challenging, we can remember that God is in control and that we are part of something much bigger than ourselves.

### Something to pray

Lord God,  
You alone are Lord.  
Thank you for creating the heavens and the stars,  
the land and the sea, and all living things.  
Thank you for the gift of life and for caring for each one of us.  
Help us to be thankful for your world  
and to treat it, and one another, with respect and kindness.  
Guide us this week in our learning, our friendships,  
and in all that we do.

Amen.

# DRAMA CLASSES

Reception - Year 6

Little Acorns Drama classes have run at various schools and nurseries since 2001. We provide a high standard of performing arts tuition in a fun, safe and supportive environment that inspire children to be creative, build confidence and enables their individual personalities to shine. The Little Acorns team are fully qualified drama and dance teachers who have trained in the worlds leading drama schools and performed in numerous West End productions, TV and film. Classes consist of storytelling, and various improvisations to stimulate children's imagination and creativity. Classes include elocution and public speaking exercises focusing on developing transferable skills, expanding vocabulary and memory skills, building confidence, aiding communication skills and developing expression.
