UPDATE FROM MR SZURGOT

What a wonderful day we have had! This afternoon we gathered together at Holy Trinity Church for our Harvest service, which was a truly brilliant celebration. A huge thank you to Rev. Ann for leading us so warmly, and to our Year 5 children who did an outstanding job in guiding the service with confidence, care and joy.

I am also delighted to share the exciting news of our new Head Students for this year. Congratulations to Ruby and Aksel, our Head Girl and Head Boy, who will be working closely with our fantastic House Captains to form our Head Student team. We are so proud of them already and look forward to seeing the leadership they will bring to our school community.

Next week we will be taking part in NSPCC PANTS Week across the school. This is an important part of our safeguarding and PSHE curriculum, helping children learn how to stay safe in a way that is age-appropriate and empowering. [You can find more information on the NSPCC website if you'd like to support these conversations at home too.](#)

Finally, I want to say a massive thank you to all of our parents for your incredible generosity—you have completely cleared our Amazon Wishlist! This support makes such a difference to the children's learning experiences. Teachers will be adding new choices very soon, so please do keep an eye out if you'd like to continue supporting in this way.

**Wishing you all a restful weekend.
God Bless you all, Mr Szurgot**

Our RE Ambassadors and Head Students ready for a year of service

NOTICES

Learning Labs is currently running a working in partnership with Holy Trinity School and offering discounted support for all students in maths, English and the 11+. All students are entitled to up to a 50% discount. Please register your details using the link below as spaces are limited.

<https://forms.gle/ngAc2G4XjDVxbFZw8>

Parking is limited outside the school so please be aware of local residents and other road users when trying to park outside the school at drop-off and pick up.

How we have flourished this week!

Seedlings and Acorns

This week we worked hard with counting, sorting shapes and building tall and short towers. We enjoyed making lion masks and thought about the importance of kindness with our friends.

Maple

This week in Maple class we have spent a lot of time outside looking at God's natural world. In RE we went on a nature walk to discuss everything that God had created, and what we could see and hear outside.

Oak

Another busy week for Oak Class. This week we have continued learning about the seasons, started writing number sentences in maths and learned about the value of sleep in PSHE. We have definitely earned a good sleep this weekend!

Ash

In Ash we have been very enthusiastic about geography and science. We enjoyed comparing hot and cold places, comparing habitats and learning how Kenya and the UK have similarities and differences.

Willow

Willow have enjoyed recreating cave drawings in art and considering the big question 'What is the Bible's big story?' in RE. We have also written our own stories based on 'The Stone Age Boy' in English which we are excited to share with Mr Szurgot!

Cedar

Cedar have been drafting their independent writing inspired by the Disney short film Feast, as well as being creative by learning the techniques of collage and layering as part of the whole school art project. In science they have been exploring animal diets.

Sycamore

This week we have started our new English unit based on the classic poem The HighwayMan, observing soluble and insoluble materials, rounding numbers to 1,000,000 and learning how Jesus miracles changed peoples lives.

Redwood

This week Year 6 have written their first independent piece based on The Journey by Francesca Sanna. The children used thought-provoking descriptions to write a story about a family who have had to flee their homes due to conflict or devastation.

Thought for the week

The Earth is the Lord's, and everything in it.
Psalm 24:1

Psalm 24:1 reminds us that everything around us—every tree, every river, every creature, and even we ourselves—belongs to God. The world is not ours to use carelessly, but a precious gift entrusted to us. When we treat the earth with respect, care for animals, and use resources wisely, we are honouring the Creator who made it all. This verse is a call to gratitude and responsibility: to see beauty in creation, give thanks for it, and protect it so future generations can enjoy the wonder of God's world too.

Something to pray

Creator God,

We thank You for the beauty of the world You have made—
for the skies above us, the land beneath our feet,
and all the creatures that share this earth with us.
Help us to remember that everything belongs to You.
Teach us to care for Your creation with love and wisdom,
to live gratefully, and to use what we have well.
May we always honour You in the way we treat the world
around us.

Amen.

DRAMA CLASSES

Reception - Year 6

Little Acorns Drama classes have run at various schools and nurseries since 2001. We provide a high standard of performing arts tuition in a fun, safe and supportive environment that inspire children to be creative, build confidence and enables their individual personalities to shine. The Little Acorns team are fully qualified drama and dance teachers who have trained in the worlds leading drama schools and performed in numerous West End productions, TV and film. Classes consist of storytelling, and various improvisations to stimulate children's imagination and creativity. Classes include elocution and public speaking exercises focusing on developing transferable skills, expanding vocabulary and memory skills, building confidence, aiding communication skills and developing expression.

FUEL YOUR... LITTLE HEROES!

Dear parent/guardian,

As you may be aware your child's school has a milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of fresh mid-morning milk at a subsidised* cost.

If you'd like to opt in and have not already done so, simply register your child at www.coolmilk.com/register. Your child(ren) will continue to receive free milk whilst under the age of 5 and Cool Milk will get in touch with further information by email shortly before their 5th birthday.

For children who are already over 5, it's not too late – our scheme is flexible! As well as being able to register and make payment straight away, you can join and cancel the scheme at any time. We offer yearly, termly and half termly payment periods and a recurring payment option to give you one less thing to remember.

If you already have an online Cool Milk account for a sibling, you can manage your account, make payment and add extra children by logging in at www.coolmilk.com/parents.

Should you have any questions or need any help, send us a message at www.coolmilk.com/contact or give us a call on the number listed below – we're here to help! Kind regards,

Cool Milk
