AUTUMN TERM  
WEEK 1

## UPDATE FROM MR SZURGOT

It has been wonderful to welcome our pupils back to school this week, and I am delighted to share how positively the year has begun. The children have settled quickly into their new classes and routines, and it has been a real joy to see their enthusiasm, resilience, and readiness to learn shining through from the very first day.

Across the school, classrooms are already full of energy, curiosity, and a sense of community. Our teachers and staff have been so impressed with how confidently the children have adapted, whether meeting new teachers, forming new friendships or taking on new challenges with a smile.

The start of term brings lots of forms, letters, and messages! If you're unsure about anything, please get in touch with the office or send a quick Dojo message –we're always happy to help.

We look forward to building on this excellent start, ensuring every child feels happy, safe, and inspired to achieve their very best throughout the year ahead. Thank you, as always, for your continued support. Together, we will ensure that this is a year in which all of our children can truly root, grow, and flourish.

**Wishing you all a restful weekend.**

**God Bless you all, Mr Szurgot**

Our new Reception class are having lots of fun!

Children in year 1 were treated to a surprise piano lesson from Miss Howarth!

## NOTICES

- **Polite reminder - Late Collection Charges**
- The end of the school day is 3.15pm. If children are not collected and gates have been closed they will be sent to our Afterschool Club to await your arrival. There is a late fee for collecting after 3.25pm and for after 4.15pm or 6pm in After School Club. If you are later than 6pm an additional charge of £1.00 per minute will be charged as well as the late collection fee. Please note late fees apply to nursery pickup times as well.

# How we have flourished this week!

## Seedlings and Acorns

The Nursery children have settled this week and we have started to learn about the topic of 'Ourselves' by recognising, naming and counting the features on our faces and hands. We have also been learning about kindness, sharing and taking turns.

## Maple

This week in Maple class, we have been exploring our new classroom and getting to know our new friends. Mr Eldridge is already really impressed with how well we are listening and with how quickly we have settled in.

## Oak

This week Oak Class have started as they mean to go on! In English, they have started writing their own versions of the bear and the piano. During an experience day, we even had an impromptu concert from Miss Howarth!

## Ash

We have been learning about Paris landmarks as we begin our fiction text, 'A lion in Paris'. We have read interesting facts, collected many brilliant adjectives and identified France on a map. A great first week!

## Willow

Willow have started a new topic in Maths focusing on time. You can help by referring to clocks around your home as you prepare to leave home etc. In D&T we have started our sewing project! If you have any unwanted thread or felt at home, please let me know!

## Cedar

In English, we've been enjoying a fun narrative based on the Disney short Feast, and in Science, we've started looking at digestion by learning what the different parts of the digestive system do.

## Sycamore

In English, they have produced some impressive writing inspired by the dramatic battle scene in Macbeth and they all thoroughly enjoyed their first swimming lesson, showing great confidence and excitement in the pool.

## Redwood

This week Redwood class explored the Linnaean System developed by biologist Carl Linnaeus in Science. We also began exploring works created by French visual artist Henri Matisse.

## Thought for the week

Be kind and compassionate to one another."  
Ephesians 4:32

Kindness doesn't always have to be a big action—it can be as simple as a smile, a helping hand, or listening to someone who needs a friend. Compassion means noticing when others are struggling and choosing to respond with love and care. When we practice kindness and compassion, we help make our school a place where everyone feels valued, safe, and supported.

Sometimes kindness takes courage. It might mean standing up for someone, including others when they feel left out, or forgiving when it's easier to stay upset. These choices show the kind of compassion that Jesus teaches us, and they remind us that every act of kindness, no matter how small, can make a big difference in someone's day.

### Something to pray

Heavenly Father,

Thank You for the gift of kindness and compassion. Help us to see the needs of others and to respond with love. Teach us to use our words and actions to bring joy, comfort, and encouragement to those around us. May our school be a community where kindness grows and compassion is shared each day.

In Jesus' name, Amen.

# Our Classes

## Saturday

- Little Leaders 10-10:30 (ages 3-6)
- Little Leaders 10:30-11 (ages 3-6)
- Beginners Kickboxing 11-11:45 (ages 7-12)

# DRAMA CLASSES

### Reception - Year 6

Little Acorns Drama classes have run at various schools and nurseries since 2001. We provide a high standard of performing arts tuition in a fun, safe and supportive environment that inspire children to be creative, build confidence and enables their individual personalities to shine. The Little Acorns team are fully qualified drama and dance teachers who have trained in the worlds leading drama schools and performed in numerous West End productions, TV and film. Classes consist of storytelling, and various improvisations to stimulate children's imagination and creativity.

Classes include elocution and public speaking exercises focusing on developing transferable skills, expanding vocabulary and memory skills, building confidence, aiding communication skills and developing expression.
