Vision Statement

*On behalf of the Staff and Governing Body of
Holy Trinity Church of England Primary School*

“Living and Learning in the Family of God”

Holy Trinity seeks to foster an enthusiasm for learning and life, ensuring each child's confidence and potential is developed within the security of our school community. As part of the wider Christian family, our pupils will develop a sense of care and responsibility for self, others and creation. We hope that everyone entering our school will experience the love of God.

We aim to achieve this through:

- ❖ A commitment to the values set down in the school's behavioural policy
- ❖ A commitment to quality learning and teaching, creativity, spiritual development and high academic standards
- ❖ The development of a professional partnership with parents and the church community
- ❖ A commitment to professional development and life long learning for all
- ❖ The effective use and organisation of resources
- ❖ A commitment to the ongoing development of ICT
- ❖ A commitment to promoting an active, healthy lifestyle through physical education and the development of a close working relationship with community partners.
